

HONG KONG
NATHAN ROAD KOWLOON

NOVOTEL AFFIRMS ITS COMMITMENT TO SUSTAINABLE DEVELOPMENT BY CHOOSING THE INTERNATIONAL ENVIRONMENTAL CERTIFICATION PROGRAMME GREEN GLOBE.

Following consideration of the importance of environmental sustainability and a commitment to be a benefit to the local community, **Novotel Hong Kong Nathan Road Kowloon** is committed to strive to achieve environmental and social sustainability for its activities: **389 room Hotel, one Restaurant, one Bar & one Laundry.**

Novotel Hong Kong Nathan Road Kowloon is located in the heart of Kowloon, mainland Hong Kong, one of the larger cities in Asia (population 7 million). Kowloon, and in particular Nathan Road is the tourist centre of Hong Kong.

NOVOTEL HONG KONG NATHAN ROAD KOWLOON HAS TAKEN NOTE OF ISSUES OF SPECIFIC CONCERN IN ITS OWN OPERATIONS. These are:

- Food Waste Composting Program
- Carbon Audit Follow-up
- Engaging more, our stakeholders in green activities
- Continue to find ways to reduce energy consumption
- Contributing to local underprivileged people
- Safeguarding Indoor Air Quality (IAQ)
- Maintain and build on all existing Sustainability Programmes

We commit to implement actions to reply to the above stakes.

NOVOTEL HONG KONG NATHAN ROAD KOWLOON COMMITS TO:

- C**ontinually improve the environmental and social sustainability performance, and benchmarking.
- C**omply fully with all relevant legislation, ordinances, regulations and laws.
- G**ive special consideration to the employment of persons living in nearby communities.
- G**ive preference to products and services of local origin which do not adversely affect the organisation's operational activities.
- P**revent pollution risks.
- I**mplement and regularly update its Environmental Management System.
- A**ppoint a "Green Globe coordinator(s)" who handle the project.
- I**mplement the Accor Hotels Environment Charter.

Please do not hesitate to ask us your questions, make a comment, offer ideas and suggestions, and join us in promoting sustainable development.

諾富特承諾通過實施國際環保認證計畫 — 綠色環球，致力於可持續發展事業。

考慮到環境可持續性的重要意義和使本地社區受益的承諾，香港九龍諾富特酒店於酒店住宿(389間客房)、餐廳、酒吧及洗衣設施等營運層面，致力推行環境及社會可持續性發展政策。

香港為亞洲之一大城市，人口約七百萬。香港九龍諾富特酒店位處九龍之心臟地帶—彌敦道，正好是遊客之集中地。

香港九龍諾富特酒店已注意到營運中需要特別關注的範疇。包括：

- 廚餘回收再造
- 繼續參與碳審計
- 積極呼籲各界參與環保活動
- 設法減少能源消耗
- 為本地弱勢社群服務
- 保障室內空氣質素
- 延續及擴大現有之環保計劃

我們承諾採取行動以處理上述範疇。

香港九龍諾富特酒店承諾：

- 持續改善環境和社會可持續性績效，並且完成達標。
- 遵守相關法律和其他法規。
- 特別考慮聘用附近社區居民。
- 在不影響組織的營運活動情況下，優先選擇本地產品和服務。
- 防止污染風險。
- 實施並定期更新環境管理體系。
- 委任處理此專案的“綠色環球協調人”
- 實施《雅高酒店環保宣言》。

如有任何疑問、評論、意見或建議，歡迎提出，並請與我們攜手促進可持續發展。
